Flowers and Health.

Mr. Herbert says that flowers and perfume distilled from them have a salutary influence and constitute a therapeutic agency of high value, and that residence in a perfumed atmosphere forms a protection from pulmonary affections and arrests consumption. Mr. Herbert, who is good authority on floriculture and horticulture, and who has done a great deal for the flora of the Hawaiian Islands, suggests that now, after the heavy rains, is the time to plant fruit trees and flowers, as the Board of Forestry is getting the blight and destructive insects in check, by importing their natural enemies.
